HELD IN THREE STAGES:

Stage 1 - Preparatory (September).
Provides for holding information and advertising activities, an organizational meeting of project participants.

Stage 2 - Training in creative groups (October, November): organization of creative classes in arts and crafts; creative classes in dancing, vocals, theater, fine arts, and developing a collection of fashionable clothes from scrap materials.

Stage 3 (2 days) - Final (December).
Conducting a competition, an exhibition based on the results of training, a fitness marathon, an inclusive talent exhibition "Under the Constellation of Good", awarding competition winners and project participants.

JUSTIFICATION OF THE SOCIAL SIGNIFICANCE OF THE PROJECT

Project will help to solve a number of acutely social problems of people with disabilities in our region:

- eliminate the barriers between disabled and non-disabled;
- provides access for people with disabilities to the services and cultural facilities of the city;
- it will help people with disabilities to adapt in socio-cultural life;
- realizes the creative potential of people with disabilities;
- will involve people with disabilities in the cultural life of the city.

PROJECT RESULT

Stimulating people with disabilities to further development and creative activity, introducing project participants to the socio-cultural world of the region, dispelling myths about a lack of talent among people with disabilities.
